Close to the time of testing administration of the state criterion-referenced test each year, the language proficiency assessment committee shall

- determine the appropriate assessment option for each English learner.
- make designated support decisions based on

State Assessments: LPAC Decision-Making

LPAC

- For English learners who are receiving program services, the LPAC shall:
 - Make decisions that are applicable for all assessments administered in the current school year, and may carry over decisions from spring to summer administrations.
 - Identify STAAR designated supports (for English learners receiving services only), keeping in mind some supports may prevent the student from being considered for reclassification at the end of the year.
 - Document any changes in a student's situation that have occurred between administrations, especially if a student no longer requires designated supports.

Reclassification of English Learners

LPAC

For exit from a bilingual education or ESL program, a student may be classified as English proficient only at the end of the school year in which a student would be able to participate equally in a general education, all-English instructional program. This determination shall be based upon all of the following:

- (1) a proficiency rating on the state-approved English language proficiency test for exit that is designated for indicating English proficiency in each the four language domains (listening, speaking, reading, and writing);
- (2) passing standard met on the reading assessment instrument under the Texas Education Code (TEC), §39.023(a), or, for students at grade levels not assessed by the aforementioned reading assessment instrument, a score at or above the 40th percentile on both the English reading and the English language arts sections of the state-approved norm-referenced standardized achievement instrument; and
- (3) the results of a subjective teacher evaluation using the state's standardized rubric.

Decisions Pending Results

LPAC

If STAAR results are not yet available when the LPAC meets at the end of the school year to make reclassification decisions, the LPAC will conduct the following process:

- The LPAC makes the decision for reclassification, pending STAAR results, if the student has met all other reclassification criteria and if the LPAC determines that the student will be ready for reclassification if STAAR results demonstrate that the student has met standard (Approaches, Meets, or Masters levels).
- The LPAC must have a follow-up process as soon as scores are received by the district to enact on the LPAC reclassification decisions pending STAAR results.
- Once scores are received, a member of the LPAC will enter the scores into the LPAC documentation and complete the reclassification process for eligible students without the need for another LPAC meeting.
